Imported from Rogow, Poland, and crafted by WBP, the Jack Exotic PurpleHeart rifle boasts impressive features. WBP, a renowned Polish firearms manufacturer, provides parts and firearms to law enforcement, military, and civilian shooters worldwide. The Jack rifle, chambered in 7.62x39 and semi-automatic, is compatible with various magazines and drums. Featuring classic AK styling, this rifle is distinguished by its PurpleHeart wood stock and rich black metal finish. The barrels, sourced from FB Radom, a key Polish military supplier, are hammer-forged and chrome-lined, ensuring longevity and superior accuracy. Most major components display factory serial numbers, and the Polish Eagle on the sight block enhances its collectability and resale value.
