The WBP Jack 556SR AK47 Classic rifle is imported from Rogow, Poland, and crafted by WBP, showcasing exceptional features. WBP, a reputable Polish firearms manufacturer, provides components and firearms to police, military, and civilian shooters across the globe. This rifle is chambered in semi-auto .556 and is compatible with various .556/.223 AK47 magazines. It was developed in response to requests from US AK

enthusiasts seeking a caliber that uses readily available American-made ammunition. The Jack rifle blends classic elegance with modern quality and precision, featuring a beautiful Polish laminate stock and a striking deep black metal finish. For added collectability and value, each rifle comes with factory serial numbers on all major components and displays the Polish Eagle on the left side of the sight block. This rifle is an excellent choice for those desiring an AK with traditional quality and style and includes one 30-round .556/.223 magazine.

The WBP Jack 556 rifle, a new addition for 2022, complements the existing range of WBP AK rifles and pistols enjoyed by US shooters. The WBP FOX rifle, a favorite among Kalashnikov enthusiasts, serves as a benchmark for other AK models. WBP has prioritized quality over quantity in their model releases, now offering ten models with more on the horizon. Each model maintains the high standards and classic features that WBP is known for. The company remains committed to innovation, with exciting new products and accessories in development.

US 922 R compliant parts include the pistol grip, muzzle brake, and fire control system.

**Please Note:** The WBP rifle is optimized for accuracy with 5.56x45 ammunition. The style of the muzzle device and magazine may differ from the images provided.
