The WBP Jack 5.56SR AK47 Red rifle, imported from Rogow, Poland, and crafted by WBP, features exceptionally solid attributes. WBP, a renowned Polish firearms manufacturer, supplies components and firearms to police, military, and civilian shooters around the world. This Jack AK47 rifle is chambered in semi-auto 5.56 NATO, designed specifically for US AK enthusiasts seeking an alternative caliber compatible with readily available American-made ammunition.

With its classic design and modern craftsmanship, the rifle combines elegant old-school aesthetics with contemporary quality and accuracy. It boasts a striking red stock set and a rich black metal finish. For enhanced collectability and resale value, the rifle includes factory serial numbers on all major parts, and the Polish Eagle is displayed on the left side of the sight block.

This model, introduced in 2022, complements the existing lineup of WBP AK rifles and pistols favored by US shooters. The WBP FOX rifle is a standout among Kalashnikov aficionados, serving as a benchmark for other AKs. WBP has focused on delivering high-quality products rather than high volume, and now offers ten models in production with more to come. Each model upholds the classic quality and features you expect from WBP. Stay tuned for upcoming innovations and accessories from WBP!

Please note: The WBP rifle is optimized for accuracy with 5.56x45 ammunition. It includes one 30-round 5.56 magazine. US 922 R parts consist of the pistol grip, muzzle brake, and fire control.
