The WBP Jack 545SR rifle, crafted in Poland and chambered in 5.45x39, is a notable addition to the WBP AK74 lineup. This model shares similarities with the acclaimed WBP Jack AK47 series, which has quickly become a favorite among Kalashnikov

enthusiasts. Combining classic design with modern quality control and precision, these rifles stand out for their elegance and performance.

For added collectibility and resale value, the rifle features factory serial numbers on all key components. The sight block is adorned with the Polish Eagle on its left side, infusing the rifle with a distinct Polish touch. The WBP Jack 545SR is compatible with a broad range of AK74 magazines available on the market. This rifle is an excellent choice for those seeking an AK with traditional quality and style. It is also a solid option if you desire a firearm that could be passed down through generations. The rifle includes one 30-round 5.45x39 magazine.
