The WBP Jack 545SR rifle, crafted in Poland and chambered in 5.45x39, mirrors the popular WBP Jack AK47 series, which has swiftly gained favor among Kalashnikov enthusiasts. These rifles combine classic design with contemporary quality control and

precision.

To enhance both collectability and resale value, this rifle features factory serial numbers on all key components. The sight block is adorned with the Polish Eagle on its left side, adding a distinctive Polish element. Compatible with a wide range of AK74 magazines available on the market, this rifle is an excellent option for those seeking an AK with timeless quality and style. If you're searching for a rifle that could be cherished and handed down through generations, this may be the perfect choice. It includes one 30-round 5.45x39 magazine.
