The WBP Jack 545SR AK74 rifle, imported from Rogow, Poland, and crafted by WBP, offers the same high standards as the popular WBP Jack AK47 series. These rifles have rapidly become favorites among Kalashnikov enthusiasts for their blend of classic design with contemporary quality control and precision.

Featuring elegant Old School aesthetics alongside modern accuracy, this model comes furniture-ready, allowing you to customize it with your preferred stock set. To enhance both collectability and resale value, the rifle is marked with factory serial numbers on all major components. Additionally, the sight block showcases the Polish Eagle on its left side for a touch of Polish heritage. This rifle is an excellent choice for anyone seeking an AK with traditional quality and style.
