The WBP Polish Milled AK47 Pistol, chambered in 7.62x39, is crafted by the skilled team at WBP in Rogow, Poland, and imported for enthusiasts in the US. WBP is a renowned firearms manufacturer providing high-quality products for both civilian and military clients worldwide. The Milled Classic Mini Jack is packed with exceptional features, highlighted by its highly sought-after milled receiver, making it a top-tier Kalashnikov-pattern pistol. This compact firearm is highly versatile and can be customized to suit your specific needs.

The Mini Jack pistol includes a removable plug at the rear of the receiver, allowing for the attachment of an AR15 buffer tube for a pistol brace. Should you choose to convert it

into a Short Barreled Rifle (SBR) after obtaining NFA approval, you can easily add an AR15-style tactical stock. The WBP Milled Mini Jack offers endless customization possibilities. It comes with a 30-round magazine, although the style may differ from what is shown in the images.

Please note: Optics, mounts, pistol braces, and muzzle devices are not included. Grip and magazine styles may vary.
